**Janet Garber : I Need a Job, Now What?!: Prepare For An Interview/ Write A Resume/ How To Network (Now What?! Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised I Need a Job, Now What?!: Prepare For An Interview/ Write A Resume/ How To Network (Now What?! Series):

0 of 0 people found the following review helpful. Great Strategies For Getting a New JobBy JerryI received this book, I Need a Job, Now What, as a gift. The clear methodical way the book was written is excellent. This makes for an easy reading book that keeps your attention. The illustrations, tips and samples of letters are outstanding.The author discusses your interests first and then goes on to show how to write a perfect resume. Perhaps some of the most valuable sections are the ones on Job Resources and Networking and Interviews. Most people would not think of all these ways to increase your job prospects. Next is how to negotiate a salary and how to settle into the new job. For those wanting a very new direction, there is a section on being your own boss.This is one of the most thorough books I

have seen on getting a new job. I strongly recommend it for someone who either needs a new job, is considering changing their current job or just for a good "must read" book about representing yourself to new people and where to find them.

Just graduated? Need a change? Downsized out of work? Now what? Find the answers to your job-search questions in this sharp, easy guide to the work world--from what kind of job you'll do best and how long your resume should be, to how to prepare for tough interview questions and what to say to an on-the-spot job offer. With these directions, you will be in charge of your job search, whether you're looking for your first position or your 21st, whether you're 24 or 64, and whether your goal is a corporation or a cosmetics counter, Sun Valley or Silicon Valley. There's even an "On the Job" chapter to help you get going and get ahead in your new position. Here you'll find down-to-earth, employment-savvy advice and facts, presented in positive, supportive, intelligent terms. Set your sights high, explore your dreams, size up your skills, and get ready for a fat new paycheck!
