I'm glad that no one corrected the spelling.The author's humorous personality really shines through and his simple approach to life and business is totally refreshing!0 of 0 people found the following review helpful. A delightful read!!By Tina L. SwansonGreat book! Love how it honors the

spelling and grammar of the author's journal. Wonderful peek into history!!0 of 0 people found the following review helpful. This book was amazing and originalBy CustomerThis book was amazing and original....cuz it was written with the dialect of the title character which made it so original! I would recommend it to anyone of any age. Made me smile!!
