1 of 1 people found the following review helpful. What an amazing book!By T. AndersThis massive book is packed with beautiful photography and illustrative diagrams.It would make a great gift for a child because it's full of amazing facts, and it would also make a great coffee table book for adults.

This is the ultimate visual guide to the animal kingdom. From the largest mammal to the smallest invertebrate, this is the ultimate reference to all creatures great and small. Capturing their beauty and diversity with award-winning images, this unique guide brings over 2,000 mammals, birds, reptiles, amphibians, fish and invertebrates in the wild vividly to life. Written by a team of wildlife experts, led by Editor-in-Chief David Burnie, an award-winning natural-history author, this work explores the excitement and fascination of the animal world. This is a new compact edition of
