IMF's Bureau of Language Services : IMF Glossary: English-French-Spanish (English, French and Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised IMF Glossary: English-French-Spanish (English, French and Spanish Edition):

This volume presents English, French, and Spanish words, phrases, and names of institutions most commonly encountered in IMF documents. This is the seventh revised edition and contains some 4,000 records. The main body of the Glossary consists of terms, phraseological units, and institutional titles covering a broad variety of areas, such as macroeconomics, money and banking, public finance, taxation, balance of payments, statistics, accounting, and

economic development.
