Jeffrey Caterino, Scott Kahan : In A Page Emergency Medicine (In a Page Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised In A Page Emergency Medicine (In a Page Series):

0 of 0 people found the following review helpful. Five StarsBy P SiscoGreat text book.1 of 1 people found the following review helpful. Great SynopsisBy Rob TheriaultI absolutely love this book. It is a superb synopsis of medical emergencies and a great reference for fine tuning your ability to form a differential diagnosis. I just wish it

was available in e-book format.4 of 4 people found the following review helpful. FANTASTIC!By D. MastrangeloThis is simply one of the best books one can imagine.Easy to understand and developed in a way useful in a life threatening situation.

Finding all of the information you need about a disease on one page is crucial in the emergency room. In A Page Emergency Medicine is your timesaving solution for retrieving information fast! Organized efficiently for quick retrieval and study, the book enables readers to review etiology and pathophysiology, differential diagnosis, presentation, diagnosis, treatment options, and disposition for 250 diseases and disorders. In A Page Emergency Medicine is perfect for medical students. Physician assistants, nurse practitioners, and related health professionals will also find this book valuable.
