It's so inconvenient without audio.0 of 0 people found the following review helpful. Five StarsBy CustomerReally Good!0 of 0 people found the following review helpful. Four StarsBy unknownOkay book

In the Know teaches over 800 colorful idioms in English. The book groups the idioms into units depending on whether the idioms relate to such concepts as danger or honesty, or whether they contain colors or parts of the body, etc. Each

unit has a clear four-page format that presents the idioms, explores their meaning, and practices their use.
