**Delorme : Indiana Atlas Gazetteer** before purchasing it in order to gage whether or not it would be worth my time, and all praised Indiana Atlas Gazetteer:

1 of 1 people found the following review helpful. Indiana AtlasBy James A. WilberIt is useful for identifying county roads in rural areas and major roads through and around cities. The contours will give you an idea of the terrain in forest areas, but the elevations are not given. You may need a magnifying glass to read some of the information.0 of 0 people found the following review helpful. great productBy Just an Indiana GirlThis is my 2nd one! My dog got a hold of the 1st and tore it. You will never get lost in Indiana with this map. I am using it to find all the small towns in Indiana which I plan to visit. I take pictures of small towns and backroads and then post them on Facebook. I call it

Walking Small Town Indiana. It has been a great tool! I prefer this map over online maps or gps!0 of 0 people found the following review helpful. Great AtlasBy Happy DogDeLorme is my "go to" map, atlas and gazetteer. Thanks for continuing to put out eally accurae, highly detailed and highly readable maps.
