2 of 2 people found the following review helpful. Ly is the bibleBy Steven B.A strong catalog of the Ingraham clock line. Great for identification of everything Ingraham, however, not great for current value of the clocks.1 of 1 people found the following review helpful. An Essential BookBy Andrew JorgensenThe Duy Ly books are really unparalleled and very valuable to understanding American clocks. They are THE reference and useful to novice and experts alike.0 of 0 people found the following review helpful. Five StarsBy riosambaanother great book
