Freebird Publishers : Inmate Shopper Spring/Summer 2016 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Inmate Shopper Spring/Summer 2016:

5 of 5 people found the following review helpful. OutdatedBy Customer If you're looking for a book of prisoner resources, this is NOT it! Despite the cover's bold claim that this is "America's Largest Book of Resources for Inmates," it contains relatively few useful resources when compared with other prisoner resource guides, such as the Prison Lives Almanac (2016 Prisoner Resource Guide (Prison Lives Almanacs) (Volume 1)). Inmate Shopper is really just one big advertisement. Of its 300 pages, over a third are ads, another third is filler consisting of items readily available to prisoners, and less than a third are actual resources -- many of which are not current and frivolously marked with their 'Rated 10' seal of approval. I was surprised by how out-of-date much of their information was. For a publication that's released twice a year, it was a disappointment.

America's largest, most trusted and up to date resource for inmate services. Inmate Shopper was created to assist

inmates by monitoring businesses that service them. Inmate Shopper is an In-print, softcover book, published and STARTING SPRING 2017 ANNUAL ISSUE, that offers inmates a safer way to shop and access business information all in one place. The editors have researched and continue to monitor over 300 businesses listed in Inmate Shopper for more than the past six years. Inmate Shopper informs its readers about established and newer companies and offers information and resources. Only Inmate Shopper lists a vast variety of categories, such as pen pal listings, personal assistants, gift boutiques, book and magazine sellers, education resources and many businesses that want to send you their catalog. Companies are listed in Inmate Shopper alphabetically by business name in the directory and additionally listed by category of services in the index. The information about each company can include: contact info, details on services, cost of catalogs, payment methods, whether or not a SASE is required, an Inmate Shopper review and rating of the company. Businesses Rated 10 receive the Inmate Shopper stamp of approval so you know which companies are the best to shop with. Every issue of Inmate Shopper contains sections such as Special Feature, Segments from the Arts (writers, poetry, art, and music), LGBT Prison Living, Criminal Justice News, Reentry, Veterans, Pen Pals, Entertainment, Articles from Guest Writers and the National Sports Schedules. Every issue of Inmate Shopper has hours of reading entertainment and contains hundreds of up to date resources on dependable businesses that service inmates.
