**Linda Losito, Christopher O'Toole, Robin Xerrod, John Stidworthy : Insects and Spiders (Encyclopedia of the Animal World)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insects and Spiders (Encyclopedia of the Animal World):

Taken from a series examining the animal world, this book deals with insects and spiders. It contains a host of facts about the subject and includes information on stick insects, scorpions, earwigs, butterflies, bees, and grasshoppers.
