4 of 5 people found the following review helpful. The Best Quotes Book I've FoundBy JoeI highly recommend this

book of quotes. It's really well organized, so it's a pleasure to read through in order. Every page has a couple of quotes on it that I really appreciate having coming across. I'd read through a few other quote books that were too scrambled, but this one took care of it by sorting things out by topic and putting things in a way that you could read it all the way through and always have be enjoyable. At the back, there's an alphabetical list of authors and which page their quotes are on, and also another list by topics. If you're looking for a great book of quotes, really this is it. It claims to be The Best Quotations Ever Collected, and it is the best one I've come across so far- but maybe they'll release a new one that'll tie it at first place.

Uncle Johns dedicated team of quotationeers have scoured the worlds of entertainment, history, literature, politics, sports, and more to bring you this unique collection of utterances that bear repeating. From silly to profound, from Aristotle to Mr. T, youll discover insights on such topics as love, sex, conspiracies, boredom, cheese, juggling, and the true meaning of belly-button lint. Here are but a few of the thousands of morsels awaiting you: Remember when lifes path is steep to keep your mind even. --Horace In America, sex is an obsession. In other parts of the world, its a fact. --Marlene Dietrich With my sunglasses on, Im Jack Nicholson. Without them, Im fat and sixty. --Jack Nicholson It is no coincidence that in no known language does the phrase as pretty as an airport appear. --Douglas Adams I dont like spinach, and Im glad I dont, because if I liked it Id eat it, and I just hate it. --Clarence Darrow If its called USA Today, why is all the news from yesterday? Bam! Busted! --Stephen Colbert Never go to bed mad. Stay up and fight. --Phyllis Diller
