Burton Stanley : Instrument Repair for the Music Teacher before purchasing it in order to gage whether or not it would be worth my time, and all praised Instrument Repair for the Music Teacher:

1 of 1 people found the following review helpful. very happy!By SamI am a music teacher, and I find myself referring

to this book quite often! it has helped keep quite a few instruments out of the repair shop, which keeps my students parents, and my budget, very happy!1 of 1 people found the following review helpful. Good for basic repair informationBy JeremyGood for basic repair information. It is not up to date but still has valuable information for music teachers or musicians for repairs you can do yourself1 of 1 people found the following review helpful. Good music education book for instrumentalistsBy Prof.Very helpful book, good information. Glad I was able to get it used.

A practical and comprehensive text on instrument repairs that commonly challenge the music teacher.
