Mee-Jeong Park : Integrated Korean Workbook: Intermediate 2 (KLEAR Textbooks in Korean Language) (Korean Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Integrated Korean Workbook: Intermediate 2 (KLEAR Textbooks in Korean Language) (Korean Edition):

0 of 0 people found the following review helpful. Five Stars By Daniel Lee Got this book for a university course. arrived exactly as stated 0 of 0 people found the following review helpful. Three Stars By Customer College text, delivered as promised. 0 of 0 people found the following review helpful. found these workbooks to be super helpful since my professor graded and corrected them as ... By Flynt86 Purchased for class, found these workbooks to be super

helpful since my professor graded and corrected them as homework assignments. I would have given 5 stars if not for the fact that, as others have noted, there should be an answer key available. Without being able to check your answers or having a professor who can do so for you, these workbooks serve absolutely no purpose.

This workbook accompanies the thoroughly revised edition of Integrated Korean: Intermediate 2, the fourth volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All series' volumes have been developed in accordance with performance-based principles and methodology--contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the first edition, this new edition features a more attractive two-color design with all new photos and drawings and an additional lesson and vocabulary exercises. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary list) and a reading passage. This workbook, newly written, provides students with extensive skill-using activities based on the skills learned in the main text.illus.
