Jack C. Richards : Interchange Intro Student's Book with Self-study DVD-ROM (Interchange Fourth Edition)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Interchange Intro Student's Book with Self-study DVD-ROM (Interchange Fourth Edition):

1 of 1 people found the following review helpful. Students love the images and grammar focus sections
By Heydy Saavedra-Pernesiglio I've using these books since 2007 to teach English as Second Language. Students love the images and grammar focus sections. In addition, they have a great online support website with several exercises and activities to present to the class. The site also has an arcade site for homework similar to Rosetta Stone's format.

By Customer as described. quick delivery.

Interchange Fourth Edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. Student's Book, Intro is the introductory level of the Interchange Fourth Edition series and is designed for beginning students needing a thorough presentation of basic functions, grammar structures, and vocabulary. Intro is based on the principle that low-level learning does not equal low-level thinking. The Student's Book contains 16 teaching units, progress checks, additional Interchange activities, and a Grammar Plus section that provides additional grammar explanations and practice. Included is a Self-study DVD-ROM that provides the full class video and extra practice with vocabulary, grammar, speaking, listening, and reading.
