**Jack C. Richards : Interchange Intro Workbook (Interchange Fourth Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Interchange Intro Workbook (Interchange Fourth Edition):

Students love the images and grammar focus sections. In addition, they have a great online support website with several exercises and activities to present to the class. The site also has an arcade site for homework similar to Rosetta Stone's format.0 of 0 people found the following review helpful. Five StarsBy Wanda HopkinsThis is the perfect introduction to the whole Interchange curriculum.0 of 0 people found the following review helpful. Two StarsBy Boina Lunafaulty cd and terribly organized with no explanation on grammar or context

Interchange Fourth Edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. Workbook, Intro has six-page units that follow the same sequence as Student's Book, Intro. The workbook helps recycle and review language by providing additional practice in grammar, vocabulary, reading, and writing. It is appropriate for in-class work or assigned as homework.
