Jack C. Richards : Interchange Level 1 Student's Book with Self-study DVD-ROM (Interchange Fourth Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Interchange Level 1 Student's Book with Self-study DVD-ROM (Interchange Fourth Edition):

3 of 3 people found the following review helpful. Let's speak English!By Heydy Saavedra-PernesiglioI've using these books since 2007 to teach English as Second Language. Students love the images and grammar focus sections. In addition, they have a great online support website with several exercises and activities to present to the class. The site also has an arcade site for homework similar to Rosetta Stone's format.0 of 0 people found the following review helpful. Interchange Fourth Edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. Student's Book, Level 1 builds on the foundations established in the Intro level for accurate and fluent communication, extending grammatical, lexical, and functional skills. The Student's Book contains 16 teaching units, progress checks, additional Interchange activities, and a Grammar Plus section that provides additional grammar explanations and practice. Included is a Self-study DVD-ROM that provides the full class video and extra practice with vocabulary, grammar, speaking, listening, and reading.
