From K G Saur Verlag Gmbh Co : International Directory of Arts 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised International Directory of Arts 2016:

The 40th edition of International Directory of Arts (IDA) contains about 146,000 addresses from all over the world: from museums and public galleries, universities, academies and schools, associations, the art trade, galleries, auctioneers, restorers, art publishers, art journals, antiquarians as well as art and antiquity fairs. The names of curators

and senior academic museum staff as well as indexes of companies and persons are included.
