United Nations : International Geneva Yearbook 2009: Organization and Activities of International Institutions in Geneva (Multilingual Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Geneva Yearbook 2009: Organization and Activities of International Institutions in Geneva (Multilingual Edition):

The International Geneva Yearbook is an essential reference source on international activities and organizations in Geneva. This comprehensive Yearbook includes information on activities, people and addresses of United Nations bodies; specialized agencies and other organizations with different statutes; non-governmental organizations, research and educational institutions; and the permanent missions. It also includes a series of articles in which eminent specialists offer their views and comments on the latest political, legal, social and economic issues being discussed in Geneva. This publication includes two comprehensive indexes in French and in English of the people and the institutions and a calendar of meetings.
