Nina Segal, Eric Kocher : International Jobs: Where They Are and How to Get Them, Sixth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised International Jobs: Where They Are and How to Get Them, Sixth Edition:

From teaching English to analyzing intelligence for the federal government, the international field offers a broad spectrum of exciting job opportunities. For over twenty years, International Jobs has been the authoritative guide for researching and launching an international career. In this newly revised sixth edition, veteran career counselor Nina Segal updates Eric Kocher's classic reference, providing all the tools necessary for understanding the complex international job market and finding the right employment options. With the tried and true components of previous

editions-practical rsum and interviewing advice, market analysis, and insightful "day-in-the-life" stories-as well as substantially increased Web resources, International Jobs is the essential comprehensive reference for students and established professionals alike who want a career in the global marketplace.
