Holly Mikkelson : Interpreter's Companion before purchasing it in order to gage whether or not it would be worth my time, and all praised Interpreter's Companion:

0 of 0 people found the following review helpful. Great glossaryBy Liliana VaughnReceived in a timely manner. Great glossary - very useful for interpreting - has different sections for different subject matters1 of 1 people found the following review helpful. This book is a must for an interpreter. It ...By CustomerThis book is a must for an interpreter. It is very comprehensive. I take it with me to every interpreting job.0 of 0 people found the following review helpful. Five StarsBy Fuegos4I love this for my work. Especially the different areas of words to interpret.

The Interpreter's Companion, Fourth Edition, is a collection of six separate Spanish-English/English-Spanish glossaries in a single convenient 6 x 9 paperback book. These glossaries contain terms that are both very useful to the court interpreter and, often, very difficult to find elsewhere--you definitely won't find them all together in any other single volume. The glossaries included in The Interpreter's Companion are: Legal Terms, Traffic Automotive Terms, Drug Terms, Weapons Terms, Medical Terms (including forensic serology and folk medicine terms), and Slang Terms. All six glossaries are bidirectional--you can look terms up in either English or Spanish. Both an English index and a Spanish index are provided, allowing you to look up unfamiliar terms even if you don't know which glossary to look in. Illustrations include extensive firearms and medical illustrations.
