David L. Peterson : Interpreting Hebrew Poetry (Guides to Biblical Scholarship Old Testament Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Interpreting Hebrew Poetry (Guides to Biblical Scholarship Old Testament Series):

1 of 1 people found the following review helpful. Old Testament Poetry By sweetviolets Interesting book that explains

the poetry/poetic form of the Old and New Testaments. This book is also useful if you are writing in Hebrew and want to make what you write more poetic. 0 of 0 people found the following review helpful. Haven't finished it By Dean Chia It's a good introduction to Hebrew Poetry. Very sensible writing and well-written. Careful, balanced, scholarly. Asks good questions and makes good, careful observations of the Hebrew. 25 of 25 people found the following review helpful. Best Introduction to Hebrew Poetry By Mark McEntire The "Guides to Biblical Scholarship" took a decisive turn for the better shortly before this volume was produced. This is easily one of the better volumes. Petersen clearly demonstrates the techniques and structures utilized by the Hebrew poets with plenty of examples from the biblical text. Terminology has become quite confusing in this area, but Petersen cuts through these difficulties. Controversial matters such as the existence and function of meter in Hebrew poetry are treated in a balanced manner. Furthermore, the book goes beyond mere demonstration of poetic features and fulfills the promise of the title by illustrating how an understanding of these features informs the interpretation of poetic passages of scripture. This is a good place to begin before moving on to the more extensive treatments of the subject by Gillingham or Alter, or the more complex and cutting edge analysis of Kugel.
