Adams Media : Interview Almanac W/Cd Rom (Adams Almanacs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Interview Almanac W/Cd Rom (Adams Almanacs):

0 of 0 people found the following review helpful. A must have in your libraryBy Worldtraveler44These are good questions for anytime. Keep it handy especially in this market. The book is hotrt and very thick. Some of the best

interview tips I ever had.

Practice answering interview questions, view powerful responses and listen to expert advice, watch and listen to sample answers, see complete interviews, test skills with the job interviewing quiz--now prospective interviewees can be fully prepared to face what any interviewer may toss their way with this complete reference. System requirements include Windows 95 or 3.1 or higher, CD-ROM drive, and Sound Blaster or compatible audio.
