before purchasing it in order to gage whether or not it would be worth my time, and all praised Interview Like
Yourself... No, Really! Follow Your Strengths and Skills to Get the Job in 2014:

5 of 5 people found the following review helpful. Prepare to Put Your Best Foot Forward By Work In Progress Ever get tongue-tied and overwhelmed when someone asks you about your background, your accomplishments, your goals? Jezra Kaye has created an invaluable guide, not only for the job seeker, but for anyone who needs to put his or her best foot forward. Written with humor, empathy and expertise, Interview Like Yourself No Really! provides an easy to follow action plan for taking stock, asking and answering the tough questions one might be faced with, and being prepared for the unexpected. Follow her advice and you'll nail your goals!

3 of 3 people found the following review helpful. Need a job in 2014 then you must read this book! By Christina of Savvy Central Radio Over the years I've been on more job interviews than I care to remember. During the times many years back when I was out of a job and going to job interview after interview, I really could have used a resource such as this book. Some of the things this book covers are: How to interview and be your authentic self during an interview. How to answer those difficult questions with ease and confidence. How to connect with the person interviewing you and how to fully prepare for each and every interview. I'm certain if I had had this book way back when I was unemployed I would have found a job a lot quicker.

2 of 2 people found the following review helpful. Great for apartment-seekers too! By Rose Grown in Brooklyn After reading this book, I had a conversation with my nephew, who was looking for an apartment share in San Francisco, where the housing market is tight and expensive. We looked at the ads on Craig's list together and he confided that he was nervous about how to answer the interview questions in the ads. He also wondered how he would present himself and handle tough questions if he managed to get a live interview. I immediately bought him a digital copy of "Interview Like Yourself," and within 2 weeks, he'd successfully found a place. He said the book made all the difference.

Why Are Job Interviews So Hard??? Well, let's see. Could it be because: The stakes are high, The rules are unclear, and Even though you have to talk, there's no script for you to follow. No wonder so many people dread sitting in front of a stranger answering uncomfortable questions about your adequacy. It's one of the most potentially humiliating and vulnerable positions you'll ever be in. But job interviews can be easy when you understand what's really going on. When you realize that this is an opportunity to be your best self, to make the interviewer fall in love with you, and to use your strengths and skills to get a job you're going to love. Part small talk, part QA, job interviews are an interaction between you and one or more strangers that may not be quite what you think. For example, did you know that: You're not at the interview to explain your qualifications It's not just OK, it's imperative that you ask questions One of your biggest goals should be to help the interviewer keep things flowing Your job interview success depends on great research, flexible stories, and a relaxed conversational style Interview Like Yourself... No, Really! will show you how to master those skills, and much more. It's set up for self-study, and tells you everything you need to know to prepare for, practice, and ace the interview. The contents are organized for easy use and reference, whether you go from beginning to end, or read your most important chapters first: Section I: Get Ready... Chapter 1: Why Are Job Interviews So Hard? Chapter 2: Fear and How to Handle It Chapter 3: Be Your Super Self (Your Job Interview Avatar) Chapter 4: The Four Job Interview Outcomes Section 2: Get Set... Chapter 5: Know Your Target (How to Research the Organization and Interviewer) Chapter 6: Anticipate the Questions They're Going to Ask Chapter 7: How to Master the Fine Art of Answering Questions Chapter 8: What Happens When You Need to Elaborate? How to Create Success Stories and Instant Speeches Chapter 9: To Know What You've Done, Research Yourself Chapter 10: How to Connect Who You Are and What You've Done to the Questions You're Being Asked Chapter 11: How to Practice for Success Section 3: Get the JOB! Chapter 12: That Big First Impression Chapter 13: To Connect with Your Interviewer, Make Conversation Chapter 14: How to Ace Phone and Skype Interviews Without Tripping Over the Technology Chapter 15: You Did It! Now Follow Up With a Great Thank You Note Bonus Chapter: Career Experts and Interviewers Share the One Thing They Wish You Knew The frank, easy, and accessible style of Interview Like Yourself will be familiar to those of you who've read Speak Like Yourself... No, Really! Follow Your Strengths and Skills to Great Public Speaking. But this book is focused on just one thing: Preparing you to do successful interviews and GET THE JOB in 2014!

"Interviewing well is partly art but mostly skill and Jezra Kaye provides all the tools you need to ace the interview." -- Jeff Haden, Inc. Magazine columnist "Jezra Kaye is your career sherpa, guiding candidates to their ultimate destination -- their dream job. Using an easy-to-follow approach with just the right amount of humor, she gives readers the necessary steps -- and critical, real-world examples -- to successfully navigate the process." -- Jim Hopkinson, The Salary Tutor, author of Salary Tutor: Learn the Salary Negotiation Secrets No One Ever Taught You "From increasing confidence to conducting research, Jezra provides an easy-to-follow, informative resource on how to answer difficult questions, ace telephone and Skype interviews, follow up with thank you notes, and more. Every job seeker can benefit from having this guide on their shelf!" -- Caroline Ceniza-Levine, Career Expert, SixFigureStart "Jezra's right: You should interview like yourself, because if you're offered the job and the person who shows up to work isn't the person they interviewed, they'll probably call the police!" -- Joseph Terach, Founder CEO, Resume Deli From the Back Cover Interview Like Yourself is a comprehensive guide to the skills you need to interview successfully -- for any

position, in any industry!About the AuthorJezra Kaye, President of Speak Up for Success, is a former Fortune 500 speechwriter, jazz singer, and bandleader. In addition to Interview Like Yourself, she is the author of Speak Like Yourself...No, Really!
