Philip J Charsley : Interview Preparation: Deconstructing the Interview Process before purchasing it in order to gage whether or not it would be worth my time, and all praised Interview Preparation: Deconstructing the Interview Process:

0 of 0 people found the following review helpful. This is a really excellent, comprehensive guideBy K J QThis is a really excellent, comprehensive guide. The full interview process is broken down into clear steps which are easy to follow and replicate in interview. A must-buy for job seekers!

Philip Charsley has been a Headhunter in London, England since 1999. Through the course of his career, he has developed a unique approach to Interview Preparation that is a simple but highly effective methodology. His book, Interview Preparation - Deconstructing the Interview process, will provide you with a better understanding of the structure that the interview process is built upon and how you can use this knowledge to optimise your interview skills and improve your performance at a job interview -regardless of your profession, job level or experience.
