By Sophia A. Dapar
I found this book absolutely helpful. This provides excellent tips in making every interview a success. There are tons of ways to have confidence during your interview. This book also highlights that in the interview process you can also ask questions and you can take different approaches. After reading this book, I feel much more informed on this topic and I am confident that I will be able to do much better during any interviews I have in the future. If you're looking for a book that is short, effective and makes sense, you have to read this book, this will definitely help.

This is a great book. It's well-written with valuable information. I know undergoing an interview can be a tiring process but this book makes it very simple, easy to understand. This book is actually divided into 3 parts which teaches you how to answer for the questions asked in each part. If we learn to answer them as how this book says, we sure are cracking the interview. This is a very useful guide that will help a lot.

I got this book because I sit on the other side of the table interviewing a new potential hire. I loved how this book helps you to build the confidence to totally own a job interview. The book is very short but VERY indepth and filled with detailed information. The effective methods are not hard to understand and easy to implement. Highly recommend it if you're looking for a new job.

Guarantee You Know the Answers and Get Your Dream Job! Being at an interview can probably be the most nerve-racking step that applicants need to go through if they want to be hired for work. While interviews seem like a simple question and answer, the results of this conversation will dictate whether you'll get hired or not. Written in this book are the common questions that you can encounter during a job interview. Aside from enumerating the questions, we also give you specific guidelines as to how you can formulate your responses to these questions in a way that will satisfy the interviewer and get them to recommend you for the job. Going job hunting and dropping off resumes and cover letters is hard enough! If you get lucky and are called for an interview - the BEST thing to do is GET PREPARED. This book will help you through the process of many interview styles and get you that next pay cheque!
