from companies that are hard to get jobs with. I wish I would have known about this book a long time ago, because I could be in the career of my life right now! Dr. Massey, put a great effort into writing this book. It's very helpful, informative, and true. I look forward to reading more books from Dr. Massey. GREAT BOOK! 1 of 1 people found the following review helpful. interview skills how to get hired now By Lynn This book came in handy after I bombed on my first interview in 7 years. When the next opportunity came for me to meet for an interview, I blew them away and got the job I was wanting. This book was great and helpful to me. I'm more prepared than ever for any job interview. Also doing research online added to my success. 0 of 0 people found the following review helpful. Very helpful By Paul I purchased this book to help my youngest daughter develop skills in interviewing. She has had trouble expressing herself to a potential employer when they ask specific questions. Getting this book will help her prepare herself verbally and emotionally and give herself an edge to get that special job.

Congratulations! You passed the test. Your resume and cover letter were written well enough to secure an interview. Successful interview skills, when properly applied, greatly increase your chances of getting the job you want. As you prepare for your big day, it is critical that you understand the ins and outs of giving an outstanding interview. What should you wear? How should you account for gaps in your employment? How do you answer those "Tell me about..." questions? This clear and concise guide gives you all the information you need to interview with confidence. Additionally, there is an extensive list of employment related information in the Appendix. The list the best of the best is categorized in the typical sequential steps job-seekers should take: Resumes, Cover Letters, Interviewing, and Thank-You Letters/Notes, and it is complete with up-to-date links to help you maximize your time.
