**Aggie White : Interview Styles and Strategies: Professional Development Series** before purchasing it in order to gage whether or not it would be worth my time, and all praised Interview Styles and Strategies: Professional Development Series:

Interview Styles and Strategies focuses on the most important component to the job search process-- the interview. Providing practical tips and advice on both the traditional and non-traditional methods, this book will offer insight into

preparation, the tough questions and how to best respond to them, the follow up and negotiating to win. Complete with the do's and don'ts to interviewing, strategizing to get what you want and checklists to keep you focused, this handy reference can play a key role in getting you started to career success.

About the Author Upon receiving a master's degree from the University of South Carolina, she moved into postsecondary education. She has served as an instructor and as department chair in the Office Systems Technology Department of Central Carolina Technology College for the last nine years. She currently serves as registrar for the college and continues to teach on a part time basis.
