When you interview with intention, you can reduce the time to reach your goal. No need to waste another minute; let's get started with tips to aid you to interview with purpose. The good news is that you can develop and enhance these skills.

About the Author Tamara Dowling founded the SeekingSuccess.com in 2000. The company has evolved from a desk in her Manhattan Beach home to an in-demand company with a team of writers, proofreaders, and support staff. Despite the growth, the focus remains on delivering a high level of personal service to each client. As a rsum and career expert, Tamara has written hundreds of career-related articles, which are published in career journals, online, and utilized in college career centers. Tamara contributed to six career books. She has written thousands of rsums for executive, high-tech, and management clients, and she has served as a writer trainer for a major Web-based career services company. In addition to four TORI (Toast of the Rsum Writing Industry) award nominations in 2014 and 2008, she won a 1st place TORI in 2009 in the Creative Rsum category and a 3rd place TORI in the International Rsum category. Her Career Re-Entry Rsum submission was also recognized by the TORI committee.
