Great study resourceBy TNB-MDHelped so much to better understand and practice!0 of 0 people found the following review helpful. falling apartBy NicoleWhy in the world did you charge so much for a book that is falling apart? I mean, the book itself is fine and has a lot of helpful information, but the condition is piss poor.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent

Introduccion a la lingstica espaola provides a systematic overview of key areas of Spanish linguistics, including the

sound system, forms of words, syntactic patterns, the development of the language, and regional, social and contextual variation. Written entirely in Spanish from the viewpoint of contemporary descriptive linguistics, it employs a flexible approach that incorporates trends from different theoretical perspectives as well as the most recently published research.
