For academics onlyBy Christopher LibbyThis book will give you no direction whatsoever in regards to running a catering book. From a practical implementation perspective, its a waste of paper.0 of 0 people found the following review helpful. Five StarsBy MwilaAffordable and great condition.

This practical hands-on text is written by three food service professionals who share their secrets to successful catering. The authors emphasize the importance of becoming an efficient and effective caterer. They share the tips and

tricks that distinguish the novice from the professional. The text's unique format engages and actively involves students. It includes informative anecdotes and vignettes that enable readers to learn from the mistakes of others. This valuable resource is an important tool that aspiring caterers will want to keep handy for easy reference. An instructor's manual, student workbook, and Power Point presentation slides accompany the text.
