Nigel P. Cook : Introductory DC/AC Electronics: 5th (Fifth) Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Introductory DC/AC Electronics: 5th (Fifth) Edition:

3 of 3 people found the following review helpful. Good book with a very helpful CDBy Melinda LancasterVery helpful for learning about DC/AC electronics. It comes with a bonus CD that makes it worth the price of a used copy. My husband, who is an electrician bought this textbook as a refresher and to glean additional information.0 of 0 people found the following review helpful. Five StarsBy Chris LNice and concise. Good for reviewing what I was supposed to have learned years ago.0 of 0 people found the following review helpful. Great price. Excellent conditionBy Lorre W.Great price. Excellent condition
