James Stuart : iPhone 6: The Ultimate User Guide With Exclusive Tips And Tricks To Master iPhone 6 And iPhone 6 Plus (Iphone 6, IOS 9, Apple) before purchasing it in order to gage whether or not it would be worth my time, and all praised iPhone 6: The Ultimate User Guide With Exclusive Tips And Tricks To Master iPhone 6 And iPhone 6 Plus (Iphone 6, IOS 9, Apple):

2 of 2 people found the following review helpful. worthless
By Moody Man
First of all this is not a book it's a pamphlet. Of the 16 or so pages only 10 are content the rest introduction/conclusion. And the rest didn't seem very useful...and no pictures! People like me learn by seeing exactly what we're looking at, Sorry but I'm looking elsewhere.
1 of 1 people found the following review helpful. Buy with caution!
By John L. Howard
This review is one star because I can't rate lower. Ultimate it is not! This booklet is basic turn on /turn off, essentially a "quick - start" handout that can be found either free or downloaded on the internet.
Do not purchase this if you are looking for a guide. The visually learning series are a better choice
1 of 1 people found the following review helpful. Don't waste your money.
By J. M. Johnson
This is complete crap. More than 85% looks like an iPhone advertisement. A complete waste of money.

iPhone 6 The Ultimate User Guide With Exclusive Tips And Tricks To Master iPhone 6 And iPhone 6 Plus
The iPhone has been in existence for nearly ten years. I this time it has moved from an advanced concept into a reality in millions of peoples homes. Each new release is better looking and packed with more features than the one before it. The iPhone 6 and the 6 Plus are no different; they represent the very latest advancements by Apple. In fact, the latest phone is significantly more powerful than many basic tablets. However, the more complex and technologically capable the phone becomes the harder it is to control all the settings and get the most from your phone. The iPhone 6 and 6 Plus are definitely not designed to just take phone calls! However, they are superbly designed to allow you to stay in touch with a myriad of different activities; from friends to work and even social media; no matter where you are in the world. The latest in wireless technology combined with a high specification phone will provide you with hours of fun and a serious tool to assist in whatever you like to do. Here is a preview of what you'll learn:
A brief development of the iPhone 6 and 6 Plus
The specifications of the phones and differences between the two.
Setting your phone up and starting to use the basic features
A range of tips to help you get started with your phone
More advanced tips including accessing apps; an essential part of suing any iPhone.
