Manual - Learn Everything You Need To Know About Apple's Latest Mobile Device (iPhone 7 User Guide, iPhone 7 Manual, iOS 10):

2 of 2 people found the following review helpful. Save your money - Worthless manual. By Doda This manual is obviously not produced in the US. It is dreadful and offers no information other than reviews from others regarding the iPhone 7. has issued me a refund, which is nice, but this needs to be removed from sale completely. 2 of 2 people found the following review helpful. Worst book ever - many words do not make sense ... By William J Manner Worst book ever - many words do not make sense - like faucet being used often?? Many sentences do not make sense either. This book is not helpful at all 2 of 2 people found the following review helpful. Save your \$ By Duane Dube This book is worthless, I never write bad reviews, but read nothing I didn't know already. I didn't find any useful information
