George Green : iPhone SE: The Comprehensive User Guide For Beginners - Unlock The True Potential Of Your iPhone SE! (Apple, IOS, iPhone SE) before purchasing it in order to gage whether or not it would be worth my time, and all praised iPhone SE: The Comprehensive User Guide For Beginners - Unlock The True Potential Of Your iPhone SE! (Apple, IOS, iPhone SE):

0 of 0 people found the following review helpful. Tells you how good the phone is and what it can doBy CustomerI'm new to these phones and need instructions on how and what to do. Ordered this book and another one similar to help m get started. Book is absolutely worthless!! Tells you how good the phone is and what it can do.....BUT NOT HOW TO DO IT0 of 0 people found the following review helpful. Beginner implies "How to operate it"By Mary H. RowleyThe author does a beautiful job of describing the phone, but hardly a word on how to operate it. Sorrry.0 of 0 people found the following review helpful. Not worth your money.By William C. PadgettIt describes some features but doesnt explain how to use them. Dont waste your money.

iPhone SE The Comprehensive User Guide For Beginners - Unlock The True Potential Of Your iPhone SE! The world of cells phones is an ever changing one. We seem to be getting new releases of phones, operating systems, patch updates and a slew of other stuff that just makes our head spin. For many people enough is enough and knowing why they should fork over another couple hundred bucks for a new device this week is a question many of you are probably asking yourself at this moment. In this book we will help to answer this question in regards to the iPhone SE. The SE stands for Special Edition and if you are reading this are probably wondering what is so special about it. In this book we will explore this question, give you details about the iPhone itself, what cool features are built into the SE and who this phone is for and who it is not. At the end of this book you will have a better understanding of the SE and the iPhone craze in general. When you complete this book you will know what you can expect from the iPhone SE and if it is the right choice for you. Download today to get the answers you have been seeking as well as to questions you didnt know to ask.
