IT'S AN ART THING: THE ULTIMATE ART LOVER'S JOURNAL is a journal for people that love art and want to keep a journal of the great (or not so great art) that they see and experience. In this art lover's journal, you will find room to record your impression of 100 works of art and room enough to make lists about your favorite artists, museums you want to visit and artwork you want to see. What was your first thought upon seeing the Mona Lisa or a

brilliant work by a local folk artist? Use this 120 page journal to: Write it down. Remember it. And, Celebrate it. IT'S AN ART THING is light weight, preminently portable, and comes wrapped in a soft but sturdy cover. Use IT'S AN ART THING to record your personal journey through the art world. Use it to remember all the details about the artwork you've seen. Use IT'S AN ART THING to record your thoughts, impressions, opinions, ideas about the artists, artworks, collections, exhibitions, museums, and the meaning--for better and for worse--that you find in the art you experience.
