4 of 4 people found the following review helpful. As useful as advertizedBy DavidTThis book is extremely useful. I

recently spent a week with some Italian colleagues, and used the book often. I'm a moderately proficient Italian speaker, and this book was a great reference. It's definitely true that it focuses on words you use everyday. There wasn't a time when I used it that I wasn't able to find the word I was looking for. I highly recommend this book to people who are looking to improve their Italian vocabulary. 2 of 2 people found the following review helpful. This vocabulary has most often used words in Italian language that makes learning language experience easy and fun. By Customer I recently bought this book and found it very helpful in for my Italian language study. This vocabulary has most often used words in Italian language that makes learning language experience easy and fun. 1 of 1 people found the following review helpful. Five Stars By VOA great concise vocabulary of italian words which you will actually need.
