Kristine K. Kershul : ITALIAN in 10 minutes a day before purchasing it in order to gage whether or not it would be worth my time, and all praised ITALIAN in 10 minutes a day:

0 of 0 people found the following review helpful. Book is great for beginners and natives who do not want to forget, but CD IS VERY DISAPPOINTING!By ForzaI bought this so I can make sure NOT to forget how to read and write in Italian and have found it to be a great starting book for both beginners and natives. It starts you out with the alphabet and gives you the break down of each letter, how to pronounce it, and an example. The book is separated in sections, like family, religion, restaurant, etc. and starts out with a word, how to pronounce it and underneath that it gives you the meaning. It slowly gets you used to the words and then stops giving you the pronunciation and meaning, giving you a chance to utilize what you learned. A bonus, at the end of the sections there are games, stickers, etc. giving you a chance to practice more in a fun way.I am Sicilian and I have come to realize it is nearly impossible to find good Italian learning books. If found they usually cost twice as much and are not always extremely helpful. This book gets a

BIG THUMBS UP from me! 1 of 1 people found the following review helpful. Can't learn a language in 10 minutes a day...BUT you CAN learn to get along in another language with these books! GREAT!!!By Tina G. NewmanOK! While no one can learn another language in 10 minutes a day, this series of book WILL give the user a good platform to be able to enjoy a holiday in a country where they don't speak the language. It gave me the ability to comfortably say pleasantries like "please, thank you, no-thank you etc." I was able to order from a menu with surprising ease and could ask simple questions like "Where is the toilet?" VERY easy to use and the stickers that you put all over things (remove easily!) puts the words in front of your face and you learn the names without any REAL effort. This is a great series of books. I have used them in German, Italian and French. I have also seen them being used in Venice, Italy by Italians to learn Asian. I have used them to learn some Russian too...boy that's not easy! This book helps for sure! I have even purchased them as gifts for high school students...they really DO help!0 of 0 people found the following review helpful. Reasonable book. CD very disappointingBy RuthThis book is nicely laid out and I think would be useful for basic communication. Like so many language courses that rely on repetition because they don't really want to teach you grammar, the student is stuck memorizing tons of stuff without being shown the patterns on which the language is based. This means you have to absorb those rules and patterns very slowly - when in reality (despite what all the amazing language programs want to tell you!) adults do NOT learn languages the same way children do - our aural recall is not as good as theirs, and we learn much better by learning patterns.Also the CD was horribly disappointing - I expected it would have the same lessons as the book, but instead it is just an alphabetical list of words. This would be great for review once you have finished the course, but it is of no help at all to learn the spoken words at the same pace as the written lessons in the book.

This software/book combo is a whole new way to learn Italian! See and hear the words as you practice with the interactive Sticky Labels, Flash Cards and special activities. Now, learning Italian is faster and easier than ever! Soon you'll be able to ask for directions to the Trevi Fountain, shop for souvenirs near the Ponte Vecchio, and chat with the locals as you sit down to dinner in the Piazza San Marco. And with the cut-out menu guides, ordering a meal, or un pasto, and that perfect glass of wine is an enjoyable and easy experience. "ITALIAN in 10 minutes a day" is a complete, and fun, hands-on language learning program it will spark your passion for Italian and teach you everything you need for your adventures in Italy!The 10 minutes a day Program:The 10 minutes a day proven methodology guarantees success all you have to do is set aside 10 minutes and you'll be on your way. Why 10 minutes a day? Because 10 minutes is doable, it fits easily into your life and it's not overwhelming. The program is created so that you can work at your own pace. You set the pace and you decide when you're ready to move to the next Step.The book is purposely designed to look like a child's workbook it's not intimidating or overwhelming. Instead, it's approachable and engaging for everyone at any age. The book covers material equivalent to more than a year of high school Italian or the 1st quarter of Italian at university. The vocabulary hones in on key essential words that you'll actually use when traveling. You'll learn Key Question Words so you can ask for what you need; money and numbers so you can shop and pay bills; directions so you can get to your destination smoothly, and so much more that will make your experience abroad enjoyable. Study aids and fun activities such as word games, puzzles and interactive modules are academically designed and strategically interwoven into the program to help you succeed.Contents include:The 132-page illustrated workbook: Use the book to guide you, step-by-step, through learning and speaking Italian.Full color throughout: Visually engages you and is conducive to learning quickly. Digital download of 10 minutes a day language learning software: Use the interactive modules to hear the words, practice and play, track your score and have fun! (PC and Mac friendly)150 Sticky Labels (both in the book and for your computer): Place the Sticky Labels around the house and office to learn new words without any extra time or effort. Use the interactive Sticky Labels module on your computer to hear the words, review, keep track of your score and improve.Ready-made Flash Cards (both in the book and for your computer): Take the ready-made flash cards with you and review your vocabulary on the go. Use the interactive Flash Card module on your computer to hear the words, practice and test yourself.Cut-out Menu Guide: Practice at your local restaurant and take it on your trip.Pronunciation Guide: With the Guide and simple phonetics above each Italian word, it's easy for native English speakers to begin speaking Italian with the correct pronunciation.Over 300 "Free Words:" Sounding similar to their English counterparts, these Italian words take no extra effort to add to your vocabulary.Glossary of over 2,000 new words, definitions, and pronunciation: So you can quickly look up an Italian word, its pronunciation and definition.
