Stiff inserts protected the integrity of the laminated sheet.

The most-often-used Italian regular and irregular verbs are presented with English translations in this quick-reference format. The six-panel card is laminated for long life and punched to fit either a two-ring or a three-ring notebook. The verb tenses are listed and explained in both active and passive voices, with information on how to use them in sentences, which makes this title a fine supplement for language students and travelers to Italy. Italian is the latest in Barrons new series of Foreign Language Verb Conjugation Cards. Others are available in French, German, and Spanish. All are printed in full color on laminated card stock.
