National Geographic Maps - Adventure : Jamaica (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jamaica (National Geographic Adventure Map):

1 of 1 people found the following review helpful. Not very detailed. I was looking for a map ...By Sierra Kline Not very detailed. I was looking for a map to cut out and make a wall piece. Unfortunately they split the map in the exact spot I want. There are no close ups so the map only shows the main roads, which there aren't many. Basically, this is more of a travel brochure than a map for navigation. 0 of 0 people found the following review helpful. Not much to say, this map can take you places. By Kyle McMahon Map came with a big ass crease in the corner due to bad packaging, but the map is great, provided you ever need to actually use it (highly unlikely). 0 of 0 people found the following review helpful. Great map By Cary Great map, easily folded but seems sturdy

Waterproof Tear-Resistant Travel Map National Geographic's Jamaica Adventure Map is designed to meet the needs of adventure travelers with its detailed and accurate information. This map includes the locations of cities and towns with a user-friendly index, a clearly marked road network complete with distances and designations for roads/highways, plus secondary routes for those seeking to explore off the beaten path. Adventure Maps differ from a traditional road map because of the specialty content they include. Each map contains hundreds of diverse and unique recreational, ecological, cultural, and historic destinations outside of the major tourist hubs. National Geographic Adventure Maps are the perfect companion to a guidebook. The Jamaica Adventure Map covers the entire island nation in one easy to use map. The east side of the map includes the capital city of Kingston, Blue Mountains - John Crow National Park as well as Morant Point on the eastern edge of Jamaica. The west side of the map includes the famous tourist destinations of Montego Bay and Negril with its miles of uninterrupted white-sand beaches. The map also shows the many offshore reefs that ring this Caribbean nation. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:150,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
