From Janes Information Group : Jane's International ABC Aerospace Directory 2007 before purchasing it in order to gage whether or not it would be worth my time, and all praised Jane's International ABC Aerospace Directory 2007:

"Jane's International ABC Aerospace Directory" gives you instant access to details of thousands of organisations and personnel in the aerospace industry. This authoritative resource is the most comprehensive of its kind. It features: government agencies; associations, defence forces, transport carriers and airports; as well as manufacturers,

distributors, sales and service companies; and company divisions and field offices. Entries detail the address, telephone, fax and electronic contact details; previous organisation identities, financial and statistical information; personnel details, parent and subsidiary information; details of products and services as well as airfield reference data, presented in a concise manner.

About the Author Peter Partridge graduated as a Bachelor of Science with honours from Sussex University in 1998 and started working for Jane's as Editorial Assistant in the Directories Department later on that year. He was promoted to Regional Editor, Americas in 2000 and then took over Editorship of Jane's International ABC Aerospace Directory and Jane's International Defence Directory in 2001. Now as Managing Editor, Industry Government, he has been integral in the development of the Jane's Defence Industry and Markets Intelligence centre and the overhaul of other industry titles, such as Jane's World Defence Industry. Peter has also contributed industry news articles to other Jane's titles including Jane's Defence Weekly and the Jane's website.
