National Geographic Maps - Adventure : Japan (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japan (National Geographic Adventure Map):

1 of 1 people found the following review helpful. A great resource By S. K. Yamada This is a sturdy map that may be too big to pack, but I've got it on the bedroom wall and am very pleased and excited because I'm going on a cruise around Japan. I often check the route of the ship and think about the excursions offered in the port cities. The reverse of the map has Hokkaido, but I only need to see Tokyo to Kyushu and Okinawa. 5 of 5 people found the following review helpful. Excellent map of Japan to navigate on our roadtrip around Japan. By Reader Runner Man An excellent map of Japan for hanging on the wall or navigating Japan on a road trip around the country (which we did). Helpful to have all the information in English! 0 of 0 people found the following review helpful. Good guide map By Yoshiko R. Very good Map. I bought this when I had visit my relatives.

Waterproof Tear-Resistant Travel Map Explore the Land of the Rising Sun with National Geographic's expertly researched Japan Adventure Map. The user-friendly design combined with unparalleled detail provides adventure travelers the ultimate tool for exploring this island nation. Coverage includes the four main islands of Hokkaido, Honshu, Shikoku and Kyushu, as well as the southeastern tip of the Korean Peninsula. Inset maps cover Okinawa and many of the other Ryukyu Islands. Some popular destinations include the cities of Tokyo, Kyoto and Nara, Mount Fuji, the Hiroshima Peace Memorial and Himeji Castle. The map is the perfect compliment to National Geographic's Japan Traveler Guide or any other guidebook. Hundreds of highlighted cultural, historical and recreational points of interest, including UNESCO World Heritage Sites, National Parks, botanical gardens, castles, churches, Buddhist temples, Shinto shrines, caves, waterfalls, hot springs, ski area and beaches, will guide you to popular tourist hot spots as well as to hidden gems away from major tourist hubs. Cities and towns can be easily found with the help of a clear and convenient index. A road network complete with distances and designations for motorways, expressways, major roads and secondary roads, will help find select a suitable route, including one off the beaten path. Other transportation features include airports, ferries routes, harbors, railroads and high-speed trains. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:1,300,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
