This was purchased as a gift for two friends taking a trip to Japan. It was extremely helpful to them during the 30+ days they were abroad!

By Chad Wright
Nice Map. I can not wait to start using it to plan our trip to Japan in the near future. Size is pretty good, the detail is good to find what your looking for. Each city has its own section so that you can see more details on that area. Would recommend if your looking for a map to pin point locations for a trip to Japan.

The Japan Travel Map from Periplus is designed as a convenient, easy-to-use tool for travelers. Created using durable coated paper, this map is made to open and fold multiple times, whether it's the entire map that you want to view or one panel at a time. Following highways and byways, this map will show you how to maneuver your way to banks, gardens, hotels, golf courses, museums, monuments, restaurants, churches and temples, movie theaters, shopping centers and more!
