George Trombley, Yukari Takenaka : Japanese from Zero! 2: Proven Techniques to Learn Japanese for Students and Professionals (Japanese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese from Zero! 2: Proven Techniques to Learn Japanese for Students and Professionals (Japanese Edition):

1 of 1 people found the following review helpful. Muy buen libro, gran trabajo y dedicacin a sus autoresBy Cliente de fcil de leer y estudiar que otros libros tradicionales. cada capitulo centrado solamente en pocos topicos y muchos ejercicios. excelente libro para aprender. otros libros tradicionales como el Minna no nihongo posee mucho temas

concentrados en un solo capitulo, es bueno para repasar. Pero este libro Japanese from zero es muy bueno para aprender.easier to study and read than another tradicional books. every chapter is focused in few topics with a lot of exercise, this is something than another books like the Minna no nihongo doesn't have because they try to cover a lot of topics in just one chapter. Minna no nihongo is a good book for reviewing, but this book (japanese from zero) is great for learning.1 of 1 people found the following review helpful. It's really good but still got a few errorsBy Jacqueline VenturaI am still in the process of reading the book but as for my first 150 pages more or less. I saw a few grammatical errors that are in Japanese. I will give all the specific pages and errors I saw once I am done with the Book0 of 0 people found the following review helpful.
