Peter Constantine : Japanese Street Slang: Completely Revised and Updated before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Street Slang: Completely Revised and Updated:

4 of 4 people found the following review helpful. Hmm. PG-13By VerneallI got this book thinking it a lot of stuff like "Whatsup?" and similar to that. Well, i got the book, so excited, and i read in it, probably 5 pages in the whole

book was stuff you will see everyday, and the rest of the book was about sex terms. It was a bit too PG-13. This is a great book if you need a hooker or something. Less likely you will use these words everyday in Japan. It might be good, if you are just looking forward to extending your Japanese vocabulary, but otherwise, i would consider getting "Dirty Japanese: Everyday Slang from "What's Up?" to "F*%# Off!" this is probably the best slang book you can get. (:0 of 0 people found the following review helpful. Japanese Street SlangBy TadaboI am a sansei AJA teacher of the Japanese language, but am completely amazed at Constantine's vast knowledge of Japanese slang words and expressions. This is the perfect handbook to supplement the standard books on the Japanese language.0 of 0 people found the following review helpful. Quick glanceBy bsAlthough this was bought as a present for someone when i had a quick flip it seemed interesting, well organised and easy to understand.

From ai (love) to zukkyu! (heart attack!) Japanese Street Slang details the roughest and rawest street language as its used in Japan today. Heres how the Japanese really speak: the hustlers and high-rollers, the anime otaku teens and Tokyo yuppies, the gangsters and their ladies of the night. This is the guide to the kinkiest sex talk, drug slang, criminal lingo, popular text-messaging abbreviations, and more. More than just a guide to gritty and gross-out gab, this book includes witty mini-essays that trace the fascinating origins of many expressions and rollicking example sentences that reveal just how and where they may be heard.

Kakkoi (Cool) is a good word to describe this book. Constantines painstaking research has produced a collection of words and phrases in the Japanese language used by everyone from teenagers to criminals to members of mainstream Japanese society when choosing to not be quite so stereotypically polite. Part academic treatise, part introduction to the colloquial side of the Japanese language, Japanese Street Slang offers something for linguists and Japanophiles alike.Elephant JournalAbout the AuthorPeter Constantine is the author of Japans Sex Trade and Japanese Slang Uncensored. He was awarded the PEN Translation Prize for Six Early Stories by Thomas Mann and the National Translation Award for The Undiscovered Chekhov. He has also translated works by Isaac Babel, Machiavelli, Gogol, Tolstoy, and Dostoyevsky.
