David Baker : Jazz Pedagogy, for Teachers and Students before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jazz Pedagogy, for Teachers and Students:

0 of 0 people found the following review helpful. IT is clear and easy to understand By Dustin Vinson IT is clear and easy to understand. It has helped me be a better teacher and performer and helps me to make lessons and concepts clear and understood by my private students. 2 of 13 people found the following review helpful. This book is very helpful, but..... By Clayton DeLong I love the book, except chapter 1. Now some of the information in this chapter is good, but, a little on the racist side.

This volume was the first published jazz teaching method. One of America's greatest musician-teachers, David Baker, shows how to develop jazz courses and jazz ensembles, with lesson plans, rehearsal techniques, practice suggestions,

improvisational ideas, and ideas for school and private teachers and students.
