**Ingrid Croce, Jim Croce : Jim Croce - Time in a Bottle** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jim Croce - Time in a Bottle:

2 of 2 people found the following review helpful. Jim Croce - Time in a BottleBy Peter ChinniciThe concept of this book is great, each page having a photo along with a line from the song Time in a Bottle. The photos are touching and reveal the personal life of the Great Jim Croce and his family. My only complaint it that I wish it was longer than the 40 or so pages it contains. Ingrid could've used lyrics from another song, ie; "I have to say I love you in a song." This way it could've been more of a family photo album showing more images from the familie's personal life, like a scrap book. However, with that said it still contains many photos not available to my knowledge anywhere else and is worth having. The cover is beautiful and the photo reproductions are excellent. As a huge Jim Croce fan I'm glad to have it in my library.0 of 0 people found the following review helpful. Always a FanBy Grafton L. AsherMy wife and I have always been Jim Croce fans and this book only added to our memories of this great stroyteller. Tells about how he and his future wife meet and fall in love.0 of 0 people found the following review helpful. Jim CroceBy Connie M.Not what I thought it would be. I thought it would be more of a story about Jim, however, I enjoyed it anyway.

(Book). In 1971, Jim Croce, a Pittsburgh native, wrote the haunting melody and words for the classic "Time in a Bottle," a song for his son, Adrian James. Less than two years later, Jim Croce's life was tragically cut short by a plane

crash. This photographic memoir by his wife, Ingrid, offers an intimate look at their lives through Jim Croce's lyrics, quotes, photographs, and memories. With the turning of every page, it reveals never before seen photographs and a timeline of Jim Croce's successful life.
