Adams Media : Job Bank Phoenix (9th) (Phoenix JobBank) before purchasing it in order to gage whether or not it would be worth my time, and all praised Job Bank Phoenix (9th) (Phoenix JobBank):

1 of 1 people found the following review helpful. Good idea, but out of dateBy M. HoedtThe idea behind this book is great, having a handheld guide to the top employers in Phoenix. Unfortunately, it's quite out of date, having been last published/revised in 2004 (referring to 9th Edition). Many of the employers listed no longer exist, and new entrants to the market aren't included. Not to be harsh, but this is a bit more of a history lesson than a job seeker's tool. Needs an

update to be useful.

The JobBank Series has been the leading series of employment directories since 1980. The Phoenix JobBank, 9th Edition contains hundreds of company profiles in all industries, with up-to-date information including: Company descriptions Mailing addresses Telephone and fax numbers Recorded jobline numbers E-mail and Web addresses Contact names Positions advertised Number of employees Also includes: Executive search firms and placement agencies Professional associations Web sites of job hunters Electronic job-search tips Sample resumes and cover letters Job search advice Online career resources Considering employment elsewhere?
