**Doris Ehigie : Job Interview Skills** before purchasing it in order to gage whether or not it would be worth my time, and all praised Job Interview Skills:

About the book: It is written in a straightforward and engaging method for everyone to understand. Motivations: I

have trained several people on employability skills and interviewed numerous candidates over the past eight years then found out common mistakes that takes place during these sessions. As a result I have learnt and understood what can be added as a value to improve people skills. My passion is to educate more in this field.
