Sometimes you can do everything right and if you don't get the job, it's like dating, it's not personal and it's just you didn't give the interviewer the wow factor ...for all you know it could be you reminded him or her of a past rival...who knows, point is to move on because it's perception and their loss! 2 of 2 people found the following review helpful. Take charge of getting your next job! By Beth Gabriel The author's phrase "take charge of getting your next job" is perfect. She even includes a free checklist you can print out and fill in before your next job interview. I really enjoyed the chapter on who to list as a reference... and who to skip.
