Marcie Taub : Job Notes: Interviews (Princeton Review Job Notes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Job Notes: Interviews (Princeton Review Job Notes):

Ah, the dreaded interview...it can be intimidating. Of course, that also depends on how you look at it. Check out *Job Notes: Interviews*, written by career counseling specialist Marci I. Taub, to learn the straight facts on talking your way into a job. In this convenient, portable little book, find out what to wear, what to bring, what to say (and not say), questions you should ask--and questions you should anticipate answering. It will also show you how to steer the interview your way--after all, your "agenda" is just as important as your prospective employer's.

From the Inside Flap Ah, the dreaded interview...it can be intimidating. Of course, that also depends on how you look at it. Check out *Job Notes: Interviews*, written by career counseling specialist Marci I. Taub, to learn the straight facts on talking your way into a job. In this convenient, portable little book, find out what to wear, what to bring, what to say (and not say), questions you should ask--and questions you should anticipate answering. It will also show you how to steer the interview your way--after all, your "agenda" is just as important as your prospective employer's. About the Author Marci I. Taub is a career counselor in private practice. She specializes in on-site and long-distance career counseling and testing, job search coaching and educational advising services for clients from teens through early-thirties. She is also the co-author of Princeton's *Job Smart* and is an adjunct faculty member of New York University's School of Continuing Education where she develops and teaches courses through the Center for Career, Education and Life Planning.
